

Dina Moukhtar Hassan Abd El-Mageed

Address	36 Dr. Rashad shafeek St. El-soyoof, Alexandria
Mobile	01098406423
E-Mail	Dina.moukhtar@aiet.edu.eg

Personal Information

Full Name	Dina Moukhtar Hassan Abd El-Mageed
Gender	Female
Birthday	09-02-1985
Nationality	Egyptian
Religion	Muslima
Marital Status	Married

Education

Phd. in Production Engineering and Mechanical Design Department- Tanta University	The point of research “Integration between operations research techniques for solving uncertainty decision making problems”
M.Sc. in Production Engineering Department- Alexandria University	Master for Science in the Quality Control field (Improving Reliability by Modifying System Configuration). 2012. Published a paper in the IEEE journal, "Improving Reliability by Modifying System Configuration".
Project	Non Conventional Machining , Abrasive Jet Machining (AJM) Project Grade: Excellent.
University	B.Sc. in Production Engineering Department, Faculty of Engineering, Alexandria university, May.2007. Total Grade: Very Good (77.93%). The Sixth
High School	Lauran Secondary School. Total Grade: 93.5%

Computer Skills

Solid Works	Good experience in drawing and designing with it.
AutoCAD	Very Good experience in drawing 2D.
MS Office	Very Good experience in Word, PowerPoint, Excel and Visio.
Internet	Excellent experience in internet research and applications.

Training Experience

Jun. 2004	<i>Copper Egyptian Company:</i> general view on the forming and machining departments.
Aug. 2005	<i>RACTA Company</i> for paper manufacturing.
Jul. 2006	<i>Mosahmet El-Behera Company:</i> for maintenance of loaders and cranes.

Personal Skills

- Team work oriented and able to work individually.
- Excellent communications, leadership, and presentation skills.
- Very active, self motivated and can normally work under stress.
- Able to quick understand and implement any methodology or standard.

Language Skills

Arabic	Mother tongue
English	Excellent in writing, and reading. Good in speaking.

Hobbies

Reading and scientific search.

Travel.

The current job

- ***Teaching Assistant in Alexandria Higher Institute of Engineering and Technology, Industrial Engineering Department.***
- ***High experience in teaching these courses:-***
 - *Material Technology*
 - *Mechanical Drawing*
 - *Engineering Statistics*
 - *Design of Machine Elements*
 - *Manufacturing Processes I*
 - *Manufacturing Processes II*
 - *Operations Research I*
 - *Operations Research II*
 - *Manufacturing System Design*
 - *Engineering Measurements*

SHIMAA MOHAMED EL-SAYED ELHADAD

+201096830968

Shimaa.mohamed@aiet.edu.eg

<https://www.linkedin.com/in/shimaa-elhadad-63899b18b>

Address: Alexandria-Elmontaza , el-shamy street.

Date of birth: 5/5/1996

Profile summary:

Engineering is my passion and I give my priority for this job so, I'm seeking an engineering position that will incorporate my undergraduate and postgraduate engineering coursework, I aspire for a challenging position in a professional organization where I can enhance my professional skills and boost up my confidence.

Academic Qualification:

Master of science, Manufacturing and Material engineering, Alexandria University.

2021-current, (2024 expected)

Bachelor of Production and Industrial Engineering, Alexandria University.

Graduation year: 2019

Accumulative grade: Very Good

Graduation Project:

Title: Simulation study for Alexandria Container Terminal Port.

Supervisor: Prof. DR. Mohamed Hamdy Elwany.

Description: Enhance the berth-yard link performance by minimizing the service time with using any-logic simulation software.

Grade: Excellent

Work Experience:

Teaching Assistant

Alexandria high institute of engineering and technology (AIET). 2020_ current

Teaching Assistant

Alexandria University, production Engineering department. First semester 2020

Data analysis and planning specialist

Alexandria Detergents & Chemicals Company (ADCO). February 2019- 2020

Skills and Summer internships:

Training:

- Internship in **El-Alamein Pack for Printing & Packaging**, (2020).
At production and sales department for two months.
- Summer training in **Pirelli** Tire company. (2018).
At quality department for three weeks

- Summer training in **TITAN** International Company (2017).
Soft skills training for two weeks
- Casting training at faculty of engineering (2017).
Manual training in casting for two weeks

Languages: Mother tongue – Arabic.

Very good in English (Academic IELTS band 6).

Courses:

- Basics of supplychain.
- Project management planning.
- Advanced Metallic alloys.
- Testing mechanical properties of metals.
- CNC of machine tools.

Computer software:

- Engineering Excel
- Microsoft office
- Solidworks
- Autocad.

NOURHAN AMEN

MECHANICAL POWER ENGINEER

Alexandria

01061211623

nourhanamen1998@gmail.com

PROFILE

I am a mechanical engineer. I'm 24 years old. I graduated from the Faculty of Engineering, Alexandria University, with a very good grade and an excellent project. Currently, I am doing my master in mechanical design and production engineering at the Faculty of Engineering, Tanta University. I look forward to learning opportunities, gaining new experiences and constantly updating my knowledge and personal skills. I have a strong determination and the ability to work hard and manage situations appropriately with a love of dealing with the team.

EDUCATION

**BSC. MECHANICAL ENGINEERING,
ALEXANDRIA UNIVERSITY**

[2016] – [2021]

Grade: Very Good

**GRADUATION PROJECT, HVAC SYSTEM FOR
PHARMACEUTICAL FACTORY**

Grade: Excellent

Designed a full HVAC system including ducts drawing, AHU selection, filter selection, pumps, and energy management for the whole system.

PERSONAL INFORMATION

Date of Birth:- 1/8/1998

Nationality:- Egyptian

LANGUAGES

- Arabic – Native Tongue
- English – Excellent

TECHNICAL SKILLS

- AutoCAD
- Water Gems
- Solid Work
- Excel
- HAP
- Fire Fighting
- Microsoft Programs

EXPERIENCE

ASSISTANT TEACHER AT THE FACULTY OF ENGINEERING, DAMANHOUR UNIVERSITY **[October 2022] - [Present]**

I joined to teach physics as a teaching assistant at the Faculty of Engineering, Damanhur University. And I got a certificate of appreciation and a certificate of experience for teaching theoretical and practical physics sections.

- Provided one-on-one tutoring to students who were struggling with physics concepts, resulting in improved grades for more than 50% of students.
- Assisted in grading assignments and exams, ensuring accuracy and fairness in student evaluations.
- Organized and coordinated review sessions before exams, resulting in a 10% increase in student participation and exam scores.
- Led physics demonstrations in front of large groups of students, effectively communicating complex ideas in a clear and engaging manner.
- Developed and implemented a mentoring program for new teaching assistants, helping them to improve their teaching skills and adapt to the university environment.

TRAINING

SUMMER TRAINEE, Abou Qir for Electricity

Production

[JUNE 2019] – [JULY 2019]

ONLINE TRAINEE, Pirelli

[JUNE 2020]

FIREFIGHTING COURSE, Egyptian Engineers

Syndicate in Alexandria .

[MARCH 2021]

SOFT SKILLS

- **Communication Skills**
- **Creative Thinking**
- **Teamwork**
- **Solving Problems**
- **Flexibility**
- **Work Under Pressure**

FIELDS OF INTEREST

- **Mechanical design**
- **Thermo Dynamics**
- **Production Engineer**
- **Fluid Mechanics**
- **Engineering Physics**
